DETAILED ACTION

Priority

1. Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

Allowable Subject Matter

2. The following is an **examiner's statement of reasons for allowance**:
Applicant's remarks and amendments, filed 9/3/2010, which traversed the previous office action which rejected claims 1 and 12 under 35 U.S.C. 103(a) under a combination of Song et. al., U.S.P. No. 5,851,918 in view of Takizawa et. al., U.S.P. No. 5,742,074, Lee et. al., U.S. P. No. 6,587,160, Ide et. al., U.S.P. No. 5,492,582 and Endo et. al., U.S.P. No. 6,016,174 (see previous office action) and it is agreed that even if the aforementioned combination could be made the aforementioned combination does not teach or suggest the combination of a TFT array substrate which includes a display area with a pixel electrode formed over a substrate, a switching element connected to the pixel electrode, a terminal electrode being formed outside the display area for connecting to an external source, a first conductive line extending from the terminal electrode to the display area, a second conductive line connected to the terminal electrode and extending from the terminal electrode to the end of the substrate and an insulating which is interposed (or formed between over) the first conductive line and the second conductive line with the insulating layer formed over the second conductive layer. These features are recited in independent claims 1, 14 and 24. Dependent claims 12, 13, 15-23 and 25-31 are inclusive of at least one of the aforementioned independent

claims and also recite other additional limitations. Please see the dependent claims for the specifics of these additional limitations. Claims 2-11 have been cancelled by Applicant.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
